End of dismantling: 23 September 2024, 22:00

3. Stand Construction

If an exhibitor does not use a prefabricated or finished stand, the rented space will be equipped by Messe Dortmund GmbH ready for use with the Stand Rental Package. The Stand Rental Package includes visually attractive, white system walls including accentuated elements for the fascia, the fascia lettering, a carpet, 2 spotlights, a power socket for up to 3kW incl. flatrate consumption and multiple plug connector, and a storage room (1 × 1 m). The price is EUR 150.00 per square metre of rental space.

The set up and presentation of exhibits in the passageways and in front of emergency exits is prohibited. Should there be deviations from the stand dimensions confirmed by the Organiser then the Organiser is to be informed of this previously! The Organiser reserves the right to move entries and exits, emergency exits and passageways when there are urgent, technical reasons; in particular safety situations.

4. Participation Fees

(see General Conditions for Participation item 7)

The participation prices for exhibitors are:

Stand type	Participation fee in EUR
12 sqm booth	2,500.00
16 sqm booth	3,100.00
24 sqm booth	4,800.00
32 sqm booth	6,000.00
Additionally Bookable	
Silver Sponsoring	4,000.00
Gold Sponsoring	8,000.00
Diamond Sponsoring	12,000.00
Presenting Partner	30,000.00
Sponsoring (bookable without a booth)	2,800.00

The Booth Prices already include the AUMA fee (EUR 0.60 / sqm) and the Exhibitor Marketing Package (EUR 475.00).

Co-exhibitors must be registered (costs EUR 500.00 per co-exhibitor). The rectangular external surface area of the stand shall form the basis for measuring and calculating the size. Projections, columns, fire extinguishing facilities and girders will not be subtracted.

5. Flat-rate waste disposal fee

In order to ensure efficient and environmentally friendly waste disposal and to distribute the disposal costs and personnel expenses fairly, a mandatory waste disposal fee will be introduced for all exhibitors. This flat rate covers the costs for the disposal of waste generated during the construction, realisation and dismantling of the trade fair. The waste disposal fee does not include the disposal and dismantling of a stand. Exhibitors who fail to dismantle and dispose of their stand properly during the dismantling period will be charged a contractual penalty. The contractual penalty amounts to EUR 10.50 per square metre (sqm) of stand space. The contractual penalty will be charged in addition to the dismantling and disposal of the stand.

Exhibitors with an equipment package: For this category of exhibitors, the waste disposal fee is EUR 3.00 per square metre (sqm) of stand space.

Exhibitors with customised stands: For exhibitors who construct customised stands, a waste disposal fee of EUR 7.00 per sqm of stand space will be charged.

Capping of the flat rate: Irrespective of the category, the waste disposal flat rate is capped from a stand size of 200 sqm. This means that there are no additional costs for waste disposal above this size, regardless of the actual stand size.

The introduction of the waste disposal flat rate serves to fairly distribute the previous unequal burdens and high disposal costs. It is also intended to create incentives to promote waste avoidance and separation and to prevent clandestine disposal on the exhibition grounds.

The waste disposal fee will be invoiced together with the stand fees and must be paid by the payment deadline stated on the invoice at the latest. If the payment deadline is not met, the organiser reserves the right to impose appropriate sanctions, which may include exclusion from the event.

Should an exhibitor demonstrably take special measures to avoid and dispose of waste that go beyond the general requirements, an individual adjustment of the flat rate may be made after examination and approval by the organiser.

6. Listings

The participation includes listings (company name, address and /or contact information) in the respective directories offered by the specific exhibition. The listings will be published in the list formats offered by the Organiser, alternatively or additionally in the online exhibitor list, if available, in the exhibition app, any printed directories as well as on the digital platform.

Co-exhibitors and their exhibits must be registered by the main exhibitor. The main exhibitor will be charged for each co-exhibitor. If you do not wish an additionally represented company to be mentioned in the directory, please expressly state this on the application form.

The deadline for directory entries is 15 August 2024. The information provided on the application form will be used, if this deadline is not complied with. Exhibitors who book their stand after this deadline are not entitled to be mentioned in any particular directory.

Compensation for incorrect, incomplete or missing entries in the abovementioned directories is excluded. The main exhibitor is responsible for the contents of the entries in the lists and any resulting damage / loss.

7. Stand Activities / Advertising

(see General Conditions for Participation item 11)

Raffles and auctions (with a conceptual or commercial objective) and musical presentations at the exhibitor stand, as well as propaganda activities, are fundamentally prohibited. Exceptional permission requires agreement of the Organiser in writing. Projection screens and monitors for presentation are to be placed far enough away from the aisles that viewers must step onto the stand area to view them; this is to avoid crowding other visitors' space in the aisles.

8. Direct and Cash Sales

(see General Conditions for Participation item 12)

Any cash sales (over-the-counter sales) to trade fair visitors shall be prohibited. The specialised trade fair CB Expo is a pure order trade fair. Trade fair goods must only be delivered upon termination of the trade fair. Apart from that, the statutory regulations must be complied with.

9. Exhibitor Passes, Build-up and Dismantling Passes

(see General Conditions for Participation item 13)

Each exhibitor receives the number of passes mentioned in the booked package. As soon as the participation fee has been paid in full, the exhibitor receives access data to the exhibitor portal and creates personalized exhibitor passes there any further required exhibitor passes can be ordered from the organizer for a fee.

10. Bringing along animals to the exhibition is prohibited.

11. Value-added Tax (VAT)

Considerations and remunerations mentioned within the framework of these special terms and conditions of participation shall also exclude the value-added tax to the respective statutory amount, except where express provision is made to the contrary by law.

12. Terms and Conditions of Payment

The Organiser of the trade fair will be entitled to hinge the approval on an appropriate advance payment or surety, e.g. in form of a credit card guarantee or a down payment

13. Cancellation by the organizer, relocation and change in the duration of the event

The organizer is entitled to cancel the event, move it to a different location and / or time, or change the duration of the event until June 1st, 2024 – without giving reasons. It is expressly pointed out that the contractual partners cannot assert any mutual claims if the event is cancelled.

However, the organizer will refund any payments already made by the exhibitor for services that have not yet been rendered at the time of the cancellation, insofar as he is responsible for the failure. In the event of a complete or partial relocation or a reduction, the contract is deemed to have been concluded for the changed period of time unless the exhibitor objects in writing within a period of 14 days after notification of the change. The agreed prices will not be reduced.

General Conditions of Participation of Messe Dortmund GmbH

(As of 13 February 2024)

1. Principle

In the case of contradiction, the following shall apply in the order listed for the participation in Trade Fairs and Exhibitions of Messe Dortmund GmbH (hereinafter referred to as the 'Organiser')

- a) Individual Contract Agreements with the Organiser,
- b) Special Conditions of Participation and
- c) the following General Conditions of Participation.

The Messe Dortmund GmbH provides its services exclusively on behalf of and for the account of the Westfalenhallen Unternehmensgruppe GmbH (AG Dortmund HRB 2522).

1.1 Participant

1.1.1 A Participant in Trade Fairs or Exhibitions (hereinafter referred to as the 'Event') can be an Exhibitor, a Co-exhibitor or an Additionally Represented Company. They are hereinafter referred to as the 'Participant'.

1.1.2 A Participant is a party that registers for participation in an event with its own stand, own personnel and own offer. A Co-exhibitor is a party that attends a stand of an Participant with its own personnel and own offer. This includes group companies and subsidiaries. Third parties are also Co-exhibitors or Additionally Represented Companies if they have a close business or organisational relationship with the Participant. The participation by a Co-exhibitor or an Additionally Represented Company must be entered in the registration form by stating the full name, legal form, address and a contact person.

If a Participant is a manufacturer, every other company that has its goods or services offered by the Participant is an Additionally Represented Company. If a Participant is a sales company that exhibits not only products of one manufacturer but also additional goods or services of other companies, such companies are Additionally Represented Companies.

1.1.3 Co-exhibitors and Additionally Represented Companies must be registered by the Participant. Co-exhibitors and Additionally Represented Companies that are not registered may not exhibit on the stand space of the Participant. The Organiser is entitled to refuse Admission of Co-exhibitors and Additionally Represented Companies if it deems they give reason to make an Admission unacceptable. The Organiser is entitled to make the Admission subject to a separate fee, even retroactively. The Participant is always jointly and severally liable with the Co-exhibitors and Additionally Represented Companies for their compliance with their obligations.

1.1.4 Contract partner of the Organiser is only the Participant.

1.1.5 If several Participants want to jointly rent a stand space, they must authorise one of them in the registration form to make and receive all statements/declarations arising from or in connection with this contract on their behalf. They are jointly and severally liable for all claims arising from this contract.

1.1.6 If an invoice is issued to a third party after its issuance at the request of the issuer, the issuer nevertheless remains the debtor.

2. Use of the Organiser digital trade fair platform

At selected the Organiser trade fairs, Participants have the option of booking services on the digital trade fair platform in addition to their on-site presence, or without an on-site presence. The individual prices, pricing components, details on the scope of services and duration of use, and on the input and design options can be found in the fair-specific list of prices and services as amended from time to time.

2.1 Duties of the Participant within the Digital Platform / Participant liability

2.1.1 Responsibility for content supplied and published by the Participant on the digital trade fair platform shall rest solely with the Participant. The Participant shall be bound to ensure that it does not infringe third party rights and does not violate applicable law. The Participant shall indemnify the Organiser upon first request against all asserted claims arising from the execution of the order, including all costs of necessary legal defence.

2.1.2 The Organiser shall not be obliged to check entries or contents to see whether they infringe third party rights, comply with the provisions of competition (US: antitrust) law or violate applicable law.

2.1.3 The Organiser shall not be responsible for external content to which it merely provides access for use. This shall apply in particular to content that the user is able to access by using a hyperlink published by the Participant.

2.1.4 In the event of a breach of the terms and conditions set out herein, the Organiser shall reserve the right to remove all of the Participant's content and to block the Participant's access to the Digital Platform.

2.1.5 The Participant shall ensure that its login details to the Digital Platform are treated confidentially and adequately protected. The Participant shall not be permitted to pass the login details to third parties without authorisation. The Participant shall inform the Organiser immediately of any indications of unauthorised disclosure of login details and/or passwords and/or of any suspicion of unauthorised access to the content published by it.

2.1.6 The digital trade fair platform may be availed of by using the current version of a standard browser and an Internet access point. The Participant shall be bound to ensure that it meets these technical requirements for its participation in the digital trade fair platform. The minimum technical requirements will be announced by the Organiser in good time. The Organiser shall not accept any liability for any non-functioning or malfunction or damage resulting from non-compliance with the technical recommendations.

2.1.7 For the purpose of advertising and holding the trade fair or event, the Participant shall grant the Organiser or a third party engaged by the Organiser the right to use its logos / signs / company names, even where these enjoy trademark or copyright protection.

2.2 Liabilities on the part of the Organiser

2.2.1 Liability is excluded in respect of usability impairments which are merely insignificant or short-term in nature. The Organiser accepts no liability, except in cases of malicious intent or gross negligence, for disruptions, errors, delays or other impediments to performance that occur during the transmission of content via the Internet.

2.2.2 Furthermore, the Organiser assumes no liability for access to or availability of the Internet. Any liability for the consequences of restricted availability – of whatever kind and for whatever reason – is excluded.

3. Registration, Contract Conclusion

3.1 The stand booking for an event requires the completion of the Stand Booking Form, which is to be sent to the Organiser by post, by fax, online or by e-mail as attached file. The hard copy of the stand-booking form for the respective event must be signed to confirm the acceptance of the General Conditions of Participation, the price lists and, if applicable, the Special Conditions of Participation of the Organiser and returned in full. The Organiser reserves the right to make the acceptance of the stand-booking order dependent on the requirement that the stand-booking form for the respective event has been completely printed out and signed with legally binding signatures to confirm the acceptance of the General Conditions of Participation, the price lists, and, if applicable, the Special Conditions of Participation of the Organiser and the complete form has then been sent to the Organiser by fax. Electronic stand bookings by previous Participants are only valid if the Online Form provided by the Organiser and the assigned password are used for online transmission.

The stand booking form is deemed to be an offer made by the Participant for contract conclusion; the sending of the form does not constitute a right to acceptance. The stand booking

form must also be sent without any supplementary remarks or conditions as defined by Section 158 of the German Civil Code (BGB). If this provision is ignored, such supplementary remarks or conditions will not have any legal effect on the Organiser.

3.2 By submitting the registration form, the Participant accepts these General Conditions of Participation and, if available, the "Special Conditions of Participation" applicable for the specific Event, the "House Rules", the "Technical Rules" and the provisions of the "Service Documents". The Participant is responsible for their compliance by the persons employed by him at the Event and by the other Participants registered by him.

3.3 The contract on the participation is concluded by means of a confirmation, i.e. the Organiser accepts the contract offer.

3.4 The Participant is obliged to comply with all relevant statutory and official regulations, including such of labour or trade law nature and such concerning environmental protection, fire protection and accident prevention regulations. The Participant shall continuously monitor their compliance by the persons he employs at the Event, the other Participants he has registered and other vicarious agents and intervene in the event of a violation and/or inform the Organiser about the violations.

4. Admission, Permitted Exhibits

4.1 The Organiser will notify the Participant of the acceptance of the Participant's offer in an acceptance notice and of the stand space assignment by post, fax or in electronic form. Complaints by the Participant must be notified in writing to the Organiser within three calendar days after receipt. If the confirmation differs from the Participant's registration, the contract is concluded in accordance with the confirmation unless the Participant objects in writing within three calendar days after receipt. Then the Organiser and the Participant need to reach an agreement immediately.

4.2 The Organiser shall take a decision, if necessary in agreement with the respective committees, regarding the admission of the Participant and registered exhibits to the Event via a written confirmation of admission. A contract shall come about with the admission of the Participant (see subsection 3.3).

4.3 The Organiser may exclude individual Participants from taking part in the Event for factually justified reasons, especially if the amount of space available is insufficient. The Organiser may also restrict the Event to certain groups of Participants if this is necessary to attain the purpose of the Event. The Organiser shall also be entitled to impose restrictions on the registered exhibits and change the amount of registered space.

4.4 Participants may only exhibit, offer and take orders for, the exhibits stated in the confirmation of admission and only at the location stated therein. Not permitted items can be removed by the Organiser at the Participant's cost, and in the case of emergency without prior warning. Goods and services, for which a use, possession or utilisation is not permitted in Germany must be legibly marked in the German language. Participants must have full power of disposal of the registered exhibits and possess any necessary official permissions and approvals. Descriptions and brochures relating to the goods or services to be exhibited shall be submitted by the Participant on request.

5. Space Assignment

5.1 The Organiser shall personally assign space in accordance with the subject and structure of the particular Event and the actual amount of space available. Space assignment wishes of the Participant are not binding and will only be considered if possible. The order in which applications are received shall not be the sole decisive factor in assigning space.

4.2 The allocation of a form of stand (e.g. row instead of corner stand, head instead of block stand) at variance with the registration does not entitle the Participant to withdraw.

4.3 The Organiser is entitled, even after the confirmation, to relocate the stand in the hall within a reasonable and acceptable scope without such entitling the Participant to rescind the contract or demand a reduction in the participation fee.

6. Unauthorized Transfer of Stand Space

The assigned stand space may not be exchanged with another Participant. Partial or complete transfer of the stand space or subletting of the stand space to third parties shall also not be permitted without the approval of the Organiser.

7. Fees, Payment Deadlines and Terms

7.1 The participation fee can be inferred from the registration form and the Special Conditions of Participation; the amount will be invoiced to the Participant by the Organiser. Complaints about the invoice can only be considered if they are received by the Organiser in writing within 14 days after receipt of the invoice. When sending the invoice, the Organiser shall draw the Participant's attention in particular to the importance of his actions.

7.2 The Organiser is entitled to demand a reasonable payment in advance or security for anticipated additional charges, e.g. for electricity consumption or other services.

7.3 The invoice amounts are payable without deduction and in EURO by the due dates specified in the invoice, stating the invoice and customer number, to the account specified in the invoice. Invoices are sent by e-mail in PDF format to the e-mail address named by the exhibitor.

7.4 The Organiser is entitled to make the occupation of the stand space or issue of Participant ID cards dependent on the prior, timely and full payment of the invoice.

7.5 An AUMA service fee shall be charged for the activities of the Association of the German Trade Fair Industry (AUMA), Littenstrasse 9, 10179 Berlin. This service fee shall be listed separately on the invoice.

7.6 All invoice amounts shall be transferred in Euro without any bank charges or deductions quoting the customer number and invoice number to the account shown on the invoice.

7.7 If the Participant culpably fails to comply with his payment obligations on time, the Organiser shall reserve the right, after granting a reasonable period of grace with consideration of the circumstances and the remaining time, to terminate the contract with immediate effect for good cause.

7.8 Should a Participant fail to comply with his payment obligations, the Organiser may exercise his right of lien, retain the exhibits and the stand fittings, and have them auctioned at the expense of the Participant, each time after prior written notification, or to sell them privately if they have a stock exchange price or a market price.

7.9 All charges and fees stated in the Registration Form, these General Conditions of Participation and the Special Conditions of Participation are plus VAT at the statutory rate, if nothing different is legally stipulated.

8. Non-participation by the Participant

8.1 A cancellation of participation by the Participant is possible until confirmation of admission. Such cancellation must be made in writing to be effective. In such a case, the Participant shall owe the Organiser a fee of 275.00 EUR for the to-date services of the Organiser unless he proves that the Organiser did not incur such a cost or incurred a much lower cost.

8.2 A non-participation by the Participant despite confirmation of participation does not release the Participant from his contractual obligations. The Participant shall be obliged, in particular, to pay the contractually due fees. The Organiser shall not be obliged to accept a replacement participant nominated by the Participant. If the Organiser is able to otherwise let the stand, the Participant will be credited with the proceeds obtained by the Organiser from such letting less a remuneration of 25% of the net participation fee, but at least 400.00 EUR.

8.3 In the case of a non-participation, the Organiser shall be entitled to let the stand space not used by the Participant to a third party or redesign the stand layout at the cost of the Participant in order to ensure a gapless appearance of the Trade Fair or Exhibition.

8.4 The Participant will also not be released from his obligation to pay the participation fee if the

- assigned stand space is otherwise let but the total available space for the Trade Fair / Exhibition could not be entirely let.
- 8.5 If a Co-exhibitor and/or Additionally Represented Company does not participate, the obligation to pay the fee for their Admission (see Section 1.1.3) will remain.
- 9. Cancellation, postponement or change of duration of an Event**
- 9.1 Taking the interests of Participants into account, the Organiser shall be entitled to cancel the Event for good cause and/or, in cases of force majeure, to postpone it or change its duration. The following occurrences in particular shall constitute force majeure: war, terror, terror warnings, orders from higher authorities, sabotage, strikes and lockouts, natural disasters, geological changes and impacts, pandemics, epidemics, official measures, decrees, legal ordinances or laws prohibiting an Event, or the existence of urgent government recommendations. The infeasibility of adequate supplies of auxiliary items, such as electricity, heating, etc., shall be equivalent to a case of force majeure unless they are of short duration or the Organiser is held responsible for them.
- 9.2 The Organiser shall also be entitled to cancel, postpone or change the duration of an Event if, for one of the reasons listed in 9.1, the smooth running of the Event is impaired or jeopardized to such an extent that the purpose of the Event cannot be achieved or can only be achieved to a considerably limited extent. The interests of the Participants must be taken into account when making such judgements.
